Research program funded by Foundation fiat panis takes off with workshop series

The research program on food security and rural development in developing countries, supported by the Foundation fiat panis with its “Dr. Hermann Eiselen PhD Grant” has started with a series of joint workshops for doctoral students. Participants were 22 PhD students from ZEF and the Food Security Center at the University of Hohenheim. It was the third of four workshops. The aim of the most recent workshop on ‘Policy and science’ was to introduce strategies and methods for implementation-oriented research.

May

May 11
ZEF research colloquium with Maximilian Mayer on „Knowledge-power and global power shift.“ Maximilian Mayer is junior researcher at the Center for Global Studies (University of Bonn).
11 a.m., ZEF

May 17
Lecture series in German by the Bonn Asia Center BAZ on „Water, culture and landscape. International perspectives“.
Prof. Dr. Janos J. Bogardi, Executive Officer of GWSP will hold a lecture on „Wassersicherheit in Asien.“
18-20 p.m., lecture hall of the geographic institute, Meckenheimer Allee 166

May 18
ZEF research colloquium with Farah Purwaningrum, ZEF junior researcher, on „Knowledge governance among the ‘triple helix’ in industrial clusters in Indonesia.“
11 a.m., ZEF

May 24
Lecture series in German by the Bonn Asia Center BAZ on „Water, culture and landscape. International perspectives“.
Daphne Gondhalekar, ZEF senior researcher, will talk about „Gesundheitliche Auswirkung des urbanen Nutzwasserzugangs in Tibet.“
18-20 p.m., lecture hall of the geographic institute, Meckenheimer Allee 166

May 29
Water Lecture with Richard Lawford on “Transforming water management: The promise of integrated Earth Observations.”
4-5.30 p.m. tbc., ZEF

May 25
ZEF research colloquium with Sven Genschick, ZEF junior researcher, on „Regulation of water quality: Identification of factors shaping (the habitus of) water utilization within the aquaculture sector in Can Tho City, Vietnam“. 
11 a.m., ZEF

May 30 – June 1
International workshop of the Right Livelihood College and ZEF (RLC Campus Bonn) on “Reverse degradation by innovation: New pathways of sustainable natural resource management”. Attended by “Alternative Nobelprize” winners, high-level senior researchers and PhD students from all over the world.

June

June 7
Lecture series „Risk and Uncertainty for Sustainable Development“ with Finn Tarp, Director of UNU WIDER, Helsinki.
The Lecture series is a distinguished speakers seminar series, co-organized by ZEF and UNU Bonn.
3p.m. - 4.30p.m., ZEF conference room

June 7
Lecture series in German by the Bonn Asia Center BAZ on „Water, culture and landscape. International perspectives“. 
Anna-Katharina Hornidge, ZEF senior researcher, will talk about „Conceptualising water management in Khorezm, Uzbekistan.“
18-20 p.m., Wolfgang Paul Hörsaal, Physikalisches Institut, Kreuzbergweg, Bonn

June 8
ZEF research colloquium with Bernd Kuzmits, ZEF alumnus, on „The production and reproduction of borders and orders. Cross-border interactions along the Amu Darya“.
11 a.m., ZEF

June 15
ZEF research colloquium with Gemma Kelboro, ZEF junior researcher, on „Parks and people in Ethiopia: Institutions of natural resources management in Nech Sar National Park“.
11 a.m., ZEF

June 20-22
International conference on Marginality at ZEF.

June 21
Lecture series in German by the Bonn Asia Center BAZ on „Water, culture and landscape. International perspectives“. 
Wolfram Laube, ZEF senior researcher, will talk about „Politics of water in Ghana: International discourses and local Interests“. 
18-20 p.m., lecture hall of the geographic institute, Meckenheimer Allee 166

June 22
ZEF research colloquium with Esther Dörendahl, ZEF junior researcher, on „Boundary work for enhanced water resources management“. 
11 a.m., ZEF

July

July 4
Lecture series „Risk and Uncertainty for Sustainable Development“ with Ortwin Renn of University of Stuttgart.
5 p.m., ZEF right conference room
