

INVITATION

We cordially invite you to the presentation of the

Justus von Liebig-Award for World Nutrition 2022

by the Foundation fiat panis, Ulm

to Prof. Dr. Louise O. Fresco,

at Center for Development Research (ZEF)

The award will be presented in-person as part of the Distinguished Lecturers Series of the Transdisciplinary Research Area "Science and Technology for Sustainable Futures" (TRA6) of the University Bonn. Prof. Fresco will lecture on the subject of sustainable agriculture and food security as the Justus von Liebig-Award is granted to personalities that made important contributions to improving world nutrition.

Monday, November 28, 2022 | 16:00 - 18:00 CET

Center for Development Research (ZEF)

Genscherallee 3 - 53113 Bonn

18:00 Closing Remarks and End

Dr. Andrea Fadani

Music:

The event is accompanied by Melchi Vepouyoum, a musician from Cameroon who has lived in Bonn for several years. He writes and sings in his mother tongue Bamoun and his youth language Camfranglais, a mixture of English, French and local Cameroonian languages. He is accompanied by Leonie Wollersheim playing Cello.
