

Prof. Dr. Ulrike Grote

Director of the Institute for Environmental Economics and World Trade at Leibniz University of Hannover (since 2006). She studied in agricultural economics at University of Kiel (and PhD 1994), and worked at the OECD in Paris and the Asian Development Bank in Manila (1995-1997). From 1998 until 2006, Ulrike Grote was senior research fellow at the Center for Development Research (ZEF) in Bonn (Habilitation 2004) and deputy professorship at University of Bonn. In October 2006, she was appointed as professor at the Leibniz University of Hannover. Her research focuses on environmental and development research, with focus on South-East Asia and Africa; certification and trade; migration, agricultural policy.

Selected Memberships:

Board of Trustees of German Development Institute (DIE, Bonn)

Senior Fellow at Zentrum für Entwicklungsforschung (ZEF) since 2010

Member of European Development Research Network (EUDN)

Member of the selection committee of the Hans H. Ruthenberg-Graduierten-Förderpreises der Stiftung fiat panis

Founding member of the Sozietät der Wissenschaften (Club of Sciences) zu Hannover

WBGU Member since 2016
