

Curriculum Vitae

PERSONAL INFORMATION

Full Name: Nicolas Gerber
Date, Place of Birth: 15 May 1972, Lausanne, Switzerland
Nationality: Swiss
Civil status: Married, two children
Current address: Franz-Lohe-Str. 30, 53129 Bonn, Germany
Mobile telephone: +49 176 64186341
ORCID 0000-0002-2096-6692

EDUCATION

01/2000 - 07/2006 **PhD in Economics**
 University of New South Wales, Sydney, Australia
 Thesis: Biodiversity measurements, species interactions and sustainability
10/1997 - 09/1998 **M.Sc. in Environmental & Resource Economics**
 University College London, England
 Thesis: Willingness-to-pay for car fuel efficiency – the UK market from 1992-1997
10/1992 - 07/1997 **Licence en Sciences Economiques (eq. BSc. + MSc. in Economics)**
 Ecole des HEC, Université de Lausanne, Switzerland

WORK EXPERIENCE

04/2007 - **Senior Researcher**
Center for Development Research (ZEF), University of Bonn, Germany
Department of Economic and Technological Change
Research on:

- African urban food systems: determinants of and partnerships for improved nutrition
- Socio-economic and health impacts of global bioeconomy value chains in South America
- Agricultural innovation and sustainable intensification in Africa: drivers and food and nutrition security impacts at household and national levels
- The nexus of agriculture and water, sanitation and hygiene (WASH): behavioral change, health and nutrition impacts (Africa and South Asia)
- Food and nutrition security: determinants, indicators and country typologies
- Land degradation, desertification and drought: costs of action versus inaction

Project management, including:

- Staff management and recruitment – over 30 colleagues since 2010
- Budgeting, financial management and reporting - EUR 6.4 millions since 2010
- Principal investigator, team leader and liaisons in international research teams and partnerships - experience with over 50 international project partners
- Progress reports to donors - experience with 6 national and international donors
- Outreach to stakeholders – including in transdisciplinary research settings
- Contracting of consultants and sub-contractors

Co-authoring of research proposals and grant applications, including:

- Exploring the future of global food and nutrition security – successful (EUR 10.35 millions)
- The economics of land degradation – successful (EUR 1.19 millions)
- Partnerships for Healthy Diets and Nutrition in Urban African Food Systems: evidence and strategies – successful (EUR 827'964)
- The economics of land degradation, desertification and drought – successful (EUR 200'000)
- Research cooperation with WeltHungerHilfe under the EU project ProAct "Fostering Smallholder Agriculture in Sierra Leone" – successful (EUR 75'000)

Organisation of international conferences and symposia:

- STRIVE project's presentation and booth, COP 23, UN Climate Change Conference, Bonn, November 24, 2017
- FOODSECURE final conference "Policies that matter" – A science-policy event on Europe's role in eliminating global hunger and malnutrition. Pre-event to the Food 2030 Conference "Research and Innovation for Tomorrow's Nutrition and Food System", Brussels, October 12-13, 2016
- The future of African food and nutrition security, Organized Symposium at the African Association of Agricultural Economists Conference 2016, Addis Ababa, 23-26 September 2016
- Agricultural and rural innovation for food and health, Organized Symposium at the International Conference of Agricultural Economists, Milan, August 8-14, 2015
- Food and nutrition security: how research informs policy, Session at the EuroScience Open Forum, Copenhagen, 21-26 June 2014
- Soil, land and food security – the challenges for science, economics and policy, Session at the EuroScience Open Forum, Dublin, 11-15 June, 2012
- Annual International Conference 2012, German Economic Association meeting of the Research Committee on Development Economics

Mentoring of doctoral candidates:

- Academic advisor for 12 candidates (10 completed, 2 in progress)

Teaching:

- Advanced Environmental Economics, Master Programme on Agricultural and Food Economics (Agricultural Faculty, University of Bonn, since Summer Semester 2018)
- Applied microeconomics, Bachelor Programme (Agricultural Faculty, University of Bonn, since Winter Semester 2018)
- Interdisciplinary courses on Development Policy and Methods of Policy Analysis (Agricultural Faculty, University of Bonn, Winter Semesters 2008-2012), Renewable Energy in Developing Countries (ZEF doctoral program, 2008-2010), and Research Proposal Writing seminars (ZEF doctoral program, 2011)

Founding and active member of the ZEF Research Ethics Committee:

- Development of the ZEF Research Ethics Policy, development of the ZEF ethical clearance process, evaluation of applications

- 09/2005 - 07/2006 **Research Officer**
Environment and Conservation Economics Section, Policy and Science Division, NSW Department of Environment and Conservation, Australia
 Reports on regional socio-economic impacts and total economic valuation of marine park projects
- 07/2001 - 07/2006 **Associate Lecturer**
School of Economics, University of New South Wales, Australia
 Lecturer, tutor and tutorial administrator in quantitative methods, microeconomics and business economics (bachelor and master courses)

CONSULTANCIES

- 2018-19 **The United Nations Convention to Combat Desertification**
 The Land-Drought Nexus: Enhancing the role of land-based interventions in drought mitigation and risk management
- 2016 **The Global Water Partnership Organization / WMO**
 The benefits of action / costs of inaction for drought preparedness
- 2008 **German Technical Assistance (formerly GTZ, now GIZ)**
 The impacts of biofuel production on food prices – a meta-analysis report
- 2002 **TRAFFIC Oceania/WWF South Pacific, Australia**
 Economic analysis of the Eaglewood trade in Papua New Guinea, with field mission

LANGUAGES

French	Native speaker
English	Fluent (oral and written)
German	Good working knowledge (oral and written)

AFFILIATIONS, MEMBERSHIPS AND COMMITTEES

- Associate Editor (Food Security, www.springer.com/journal/12571), Reviewer (World Development, Global Food Security, Global Challenges, Journal of Water, Sanitation & Hygiene for Development)
- European Economic Association (member)
- European Association of Environmental and Resource Economists (member)
- International Association of Agricultural Economists (member)

SELECTED PROJECTS

- 09/2018 - **NOURICITY - "Partnerships for healthy diets and nutrition in urban African food systems – evidence and strategies"**
- Funded by the German Federal Ministry for Education and Research (BMBF), under the LEAP-AGRI Era-Net CO-fund, EC H2020
 - Own budget: EUR 290'000 ; Project duration: 36 months
 - Staff: 2 ; International partners: 3
 - Research countries: Ghana, South Africa and Uganda
 - Role: Principal investigator and project lead
- 09/2017 - **STRIVE - "Sustainable TRade and InnoVation transfer in the bioEconomy: From National Strategies to Global Sustainable Development Goals"**
- Funded by the German Federal Ministry for Education and Research (BMBF)
 - Budget: EUR 2.46 millions ; Project duration: 60 months
 - Staff: 8 ; International partners: 2
 - Research countries: South Africa, Tailand, Brazil and global
 - Role: researcher (bioeconomy value chains and health) and project coordinator
- 02/2012 - 02/2017 **FOODSECURE - "Exploring the future of global food and nutrition security"**
- Funded by the European Commission FP7 program
 - Own budget: EUR 1.48 millions ; Project duration: 60 months
 - Staff: 7 ; International partners: 17
 - Research countries: Ethiopia, India, and global
 - Role: lead researcher on the impacts and determinants of innovations for food and nutrition security; leader of several multi-partner work packages and manager of the ZEF team; co-leader for the dissemination activities of the project consortium
- 05/2015 - 03/2016 **WATSAN-AGRICULTURE - "Guiding pro-poor investments in the nexus among domestic water quality and quantity, sanitation and hygiene, and agriculture from the bottom-up"**
- Funded by the Bill and Melinda Gates Foundation
 - Total budget: USD 1.04 millions ; Project duration: 48 months
 - Staff: 7 ; International partners: 4
 - Research countries: Ethiopia, Ghana, Bangladesh, India
 - Role: project manager, co-author of research reports and publications
- 04/2010 - 12/2011 **ELD - "The economics of desertification, land degradation and drought: Towards an integrated global assessment"**
- Funded by the German Federal Ministry for Economic Cooperation and Development (BMZ) through the International Food Policy Research Institute (Washington, D.C.)
 - Own budget: EUR 100'000 ; Project duration: 21 months
 - Staff: 6 ; International partners: 1
 - Research countries: global
 - Role: second lead author, project manager of the ZEF team, liaison with IFPRI
